

Good afternoon all,

We are working to improve our ICPA website to further market our products and our member companies!

One step is to include more information included in our member's listing.

Currently, your listing in our website directory includes your company name, address, phone number, and website link.

I would like to include the following additional information as well, so if you could please respond with answers to these two questions at your earliest convenience, I will include this with your listing to help potential customers find and connect with you!

Here's what I need-

1- please email to me a high-resolution version of your logo

2- a brief overview of your products, your specialty, who your customers are, and the industries you sell to. And any other information you would like to advertise on the directory.

Here's just an example-

THE ABC MANUFACTURING COMPANY HAS BEEN IN BUSINESS FOR OVER 25 YEARS AND IS LOCATED IN LOUISVILLE KENTUCKY. ABC IS A MANUFACTURER OF CAST POLYMER (OR WHATEVER CAST POLYMER TERM YOU USE) VANITY TOPS AND SHOWER PANELS. SPECIALIZING IN DECORATIVE TILE PATTERNS IN BEAUTIFUL WHITE OR TRENDING COLORS AND TEXTURES, WE SELL TO RESIDENTIAL HOME BUILDERS AND RE-MODELERS. OUR CAST POLYMER PRODUCTS ARE STRONG AND DURABLE AND MILDEW RESISTANT. COME VISIT OUR SHOWROOM AND SEE OUR WEBSITE FOR MORE INFORMATION. WE ALSO HAVE A CABINETRY DIVISION TO HELP YOU COMPLETE THAT BATHROOM PROJECT.

3- If you have a Facebook, Instagram, blog page, or any other media presence and would like that included, please send to me those links.

Once I have updated your listing I will let you know so you can review it and make any changes necessary.

Thank you so much and please feel free to contact me if you have any questions!

Best regards,

Jennifer Towner, Executive Director

The International Cast Polymer Association (ICPA)

4949 Old Brownsboro Rd, Ste. 232

Louisville, KY 40222
